BLOCK WATCH NEWSLETTER
MAY 2014

Vacation time is quickly approaching. The Jeffersontown Police Department offers a free service you may or may not know is available: *House Watch Program*. This valuable program is provided to the residents of Jeffersontown. It is available to homeowners only. We are unable to provide this to apartments. The police department will check your home three times a day for up to two weeks. If the house watch goes beyond two weeks, it will be checked once a week.

Your home cannot be for sale, and no one can be staying at the house during this period.

Information you will need for the house watch form:

- Name, address and phone number of an emergency contact person(s) picking up mail, feeding pets, maintaining your yard, cleaning services, etc.
- A description of vehicles that will be in the garage or driveway, or if a neighbor will be parking a vehicle in your driveway. (Give a description of vehicle and neighbors name)
- Which lights will be on and if they are on a timer, the times they will come on/off, animals that may be in an enclosed yard (so our officers are not bitten), your return date from your trip.
- If you have a burglar alarm, you will need the name of the company and their phone number (make sure the alarm company and the police department has a person(s) that can be contacted to reset the alarm).
- The house watch form must be turned in, in person at the Jeffersontown Police Department, 10410 Taylorsville Rd. You can be request one 24 hours a day, 7 days a week at the department, or you can **print one off the website** (www.jeffersontownky.gov), fill it out and then bring it to the Jeffersontown Police Department.
